To the Board of Directors

San Jacinto County Appraisal District

I understand the time commitments, responsibilities, compensations, and qualifications to be considered for appointment to the San Jacinto County Appraisal Review Board. I also understand that the board of directors normally has more qualified applicants than vacancies to fill and that I may not receive an appointment.

If appointed, I agree to weigh the facts and testimony brought by both the taxpayer and the Appraisal District. I agree to make an independent decision on the value of the property being discussed.

I understand that the Appraisal Review Board only has authority over protests submitted to it and that the Appraisal Review Board has no role in the day to day operations of the Appraisal District Office or in the appraising of property.

I understand that the Appraisal Review Board cannot order the reappraisal of a category of property or otherwise instruct the appraisal district staff about how to perform their job.

I would like to be considered for appointment to the San Jacinto County Appraisal Review Board as a regular member.
